

FOR IMMEDIATE RELEASE

TSX-V: PGA

**PACGEN TO PRESENT AT THE 9TH ANNUAL ACUMEN BIOFIN
RODMAN & RENSHAW HEALTHCARE CONFERENCE**

Vancouver, BC, Canada, November 1, 2007 – Pacgen Biopharmaceuticals Corporation, (“Pacgen” or the “Company”) (TSX-V: PGA) a life sciences company focused on the development of therapeutics for the treatment of infectious and inflammatory diseases, announced today that Duffy DuFresne, President and CEO will be presenting at the 9th Annual Acumen BioFin Rodman & Renshaw Healthcare Conference in New York. Mr. DuFresne will present at The New York Palace Hotel in New York, in the Kennedy I Presentation Room on Monday November 5, 2007 at 8:50am EST.

About Pacgen

Pacgen is a life sciences company focused on the development of therapeutics for the treatment of infectious and inflammatory diseases. The Company’s lead product, PAC-113, is an anti-fungal in a Phase II clinical program. Pacgen also has candidates in several earlier stage programs. The most advanced of these candidates is a protein therapeutic, PAC-G31P, which is currently being investigated in preclinical studies for its potential to treat inflammatory diseases such as acute respiratory distress syndrome. Forward looking Statements

Certain statements included in this press release may be considered forward-looking. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements, and therefore these statements should not be read as guarantees of future performance or results. All forward-looking statements are based on Pacgen’s current beliefs as well as assumptions made by and information currently available to Pacgen and relate to, among other things, anticipated financial performance, business prospects, strategies, regulatory developments, market acceptance and future commitments. Readers are cautioned not to place undue reliance on these forward looking statements, which speak only as of the date of this press release. Due to risks and uncertainties, including the risks and uncertainties identified by Pacgen in its Final Prospectus dated November 28, 2006, actual events may differ materially from current expectations. Pacgen disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. For all forward-looking statements, Pacgen claims the safe harbour for forward-looking statements within the meaning of the Private Securities Legislation Reform.
